Briana Lin (J1)

In the name of the Lord Jesus Christ I reflect on this year's winter SSC, A Life of Faith. We learned about the Israelites Journey in the Wilderness by Pastor Raymond, Romans chapter 1-8 by Pastor TJ, and One True God by Pastor Hu. I think I learned a lot and received many good reminders that we shouldn't forget everything God has done for us when we hit an obstacle and start to

complain about it without relying on God. We need to know that God is love, just, blameless, wise, faithful, holy, and the Alpha and Omega. Also, we must remember that we were separated from God because of sin. But because of his grace, love and mercy, we are then justified. We must continue to cultivate and progress everyday. Lastly, I think this SSC, I drew a lot closer to God and experienced God a lot more when I fasted. I learned that prayer isn't just for yourself, we need to intercede because God listens and He knows what you are asking for.

Amen.

Ryan Chiang (J1)

In the name of the Lord Jesus Christ I reflect on this year's Winter SSC. This year, the theme was "A Life of Faith." Through the classes from Pr. Chou, Pr. TJ, and Pr. Hu, I feel like I have learned a lot. Pastor Raymond shared about continuing persevering, because we never know how close we are. He used the example of the Israelites complaining in Marah when Elim was just about 7 miles away from

them. Pastor TJ taught about the wrath of God and the gospel of God. He differentiated the difference between the two and explained how sinners can move from the wrath of God to the gospel of God. Pastor Hu shared with us the seven characteristics of God. He is almighty, loving/merciful, just, wise, holy, faithful, and the Alpha/First and the Omega/Last. Through these classes, I felt like I have been able to understand God and His teachings better. During the week, I have experienced God deeply through my prayers. Through all the opportunities I have gotten, I drew nearer to God than I have ever experienced. Although I didn't receive the Holy Spirit this time, I am thankful to God for allowing another church member and two of my group members to receive the Holy Spirit. A Bible verse that keeps me persevered is Ecclesiastes 3:1. It says, "To everything there is a season, A time for every purpose under heaven." This verse says that there is a time for everything and that we should never doubt God's timing. Praise and thank God for allowing this SCC to go smoothly without anyone getting sick. May all the glory and honor be unto His holy name. Amen.

Jonathan Lin (J2)

In the Name of the Lord Jesus Christ I reflect on this past SSC. It is an undisputed fact that this WSSC was very unique. With the constant fear of COVID, we had many safety measures including masks, less kids, and hand sanitizer all over the place. Although this SSC was by no means normal, I believe it helped me in my faith immensely. As I've grown older, I've tried to start figuring things

out for myself and have my own thoughts and beliefs. This has caused me to have doubts and questions in my faith. The COVID pandemic has just magnified these issues. Being stuck at home all day caused me to become distracted and made me lose sight of my faith. This SSC made me focus more on my faith. The theme, "A Life of Faith", along with the numerous classes and workshops focused on faith helped me reaffirm my belief. I was reminded of all that God has done in my life. My prayers helped me draw closer to God and helped me experience Him. Many of the classes taught me how to lead a God-centric life and taught me how to grow in faith. I really thank God for guiding me through this SSC, not just keeping us all safe and healthy, but reigniting my faith. I hope He continues to let me experience Him and grow in faith. May all the Glory and Honor be unto His holy Name. Amen.

Eunnie Wu (J2)

In the name of Lord Jesus Christ, I will give a reflection on this winter SSC. Even though I was part of the online group, I still learned a lot from the lessons and teachings of the Bible. Through the Journey in the Wilderness class, I learned about a lot of what the Israelites did or made had a symbolic meaning behind it. In the lessons of the One True God and Romans, I learned that God

always has a plan for us even when we can't see it at first. On the first few days of SSC, I was very distracted and tired because I had to stare at the computer screen all day. However, all of it was worth it in the end because I got to learn more about God and the meaning of our lives. Seeing the brothers and sisters attending the in-person version and online was a joyful sight because not even a pandemic can keep us from worshipping God. I also got to know more about the people in my group and I hope that we can all be spiritual companions. So I suppose the lesson I took from this is that a lot of times God's blessings aren't as obvious at first and that He'll always help you through times of struggle; He's been there since the beginning. That when we finally finish our journey of faith, we'll look back at where we started, and be amazed by how far we've come. May all the honor and glory be onto His holy name. Amen.

Jaclyn Wang (J2)

In the name of the Lord Jesus Christ I share my reflection.

This past week was full of edifying classes and sermons on various topics, including the Israelites' Journey in the Wilderness, One True God, & Romans 1-8. Especially in the Journey of Wilderness class, there were many moments where it seemed like the speaker's words were directed at me,

even using the exact words I had used in my head.

I learned that if our time spent on this Earth isn't enough to be remembered by God, it's a waste of life.

We need to be like the acacia wood of the tabernacle, toughened by the harsh conditions of our surroundings and used for God's purpose. In the One True God class, I learned about God's fundamental attributes: loving, just, wise Almighty, faithful, holy, and first & last. It reminded me that the people of this world who insist God will accept everyone out of His love don't, or don't want to know all His other characteristics. The last class, Romans 1-8, taught me that once we've moved from the wrath of God to the gospel of

God, we don't have to be afraid of condemnation, we only have to await salvation.

During the week I dedicated many of my prayers to my friends who had not received the Holy Spirit, and felt my own Holy Spirit strengthened throughout them. I was so grateful to be able to see and fellowship with the friends I had missed after two long years.

Though my faith was definitely dull after quarantine, this SSC experience was able to renew it and prepare me for life after. May all the glory and honor be into His holy name. Amen.
