Subject: Offerings for the construction of a new church building in Budapest/Hungary

Hallelujah,
Dear brethren,

Greetings in the name of our Lord Jesus Christ.

Background

The early rain of the Holy Spirit established the church during the Apostolic times. According to God's will, the vision of the Macedonians asking for help instructed apostle Paul to cross the Aegean Strait and enter Europe. Although he had travelled north to "Illyricum" - today's Croatia (Romans 15:19) - he was eventually placed under house arrest in Rome, Italy, thus concluding the missionary ministry in the book of Acts (Acts 28:30-31).

According to God's redemption plan and to revive the true church of the Apostolic times, the latter rain of the Holy Spirit established the True Jesus Church in 1917. The True Jesus Church preaches the gospel of salvation to the whole world. By relying on the power of the Holy Spirit and the loving care of our Lord Jesus Christ, the believers of the True Jesus Church, the Ark of the last days, go into all the world to preach the gospel to the ends of the earth as commanded by Jesus. Now, the True Jesus Church in Eastern Europe has surpassed "Illyricum", the most northern place visited by Paul in ancient times, and a place of worship has been established in Budapest, a good place in Eastern Europe.

Through the guidance of our Lord Jesus Christ, a small group of members of our true church came to Budapest, the former capital of the Austro-Hungarian Empire, in a sporadic and disorderly manner. On April 15, 2017, through the inspiration of the Holy Spirit, three members gathered together to start service and held the first family gathering in Hungary. In 2018, the first year after a century of missionary work, the International Assembly of the True Jesus Church sent two workers and a religious education volunteer to hold a special gathering and strengthen the members there. The missionary work is integrated into the work of the European Coordination Center, which is under the Western Hemisphere Department of World Mission of the International Assembly.

Through prayer and encouragement with God's word, the family gathering of about ten members decided to establish a church and build a church building. Our faithful God fulfils His good intentions in our hearts. On October 25, 2019, the True Jesus Church completed government registration in Budapest, the capital of Hungary. Despite the subsequent pandemic the power of our Lord Jesus Christ was demonstrated in His church. There are currently 31 members in Hungary, and the Lord adds to those who are saved every year. Seven people have been baptised into the Lord and there are constant truthseekers. The spacious locations where family gatherings were being held gradually began to feel smaller.

With the wholehearted prayer of all the co-workers, the church building fund was willingly set up. After the pandemic had completely subsided at the end of 2023, approximately 200,000 euros had been saved. At this time, our Lord Jesus Christ gave us a piece of land that had been designated for public welfare facilities only. We turned out to be the only bidder during the auction and received the reward from our Lord Jesus Christ at the lowest price of 161,221 euros. In April 2024, we received an official letter of property ownership certificate from the government. This is a 699-square-metre rectangular lot close to the district government with convenient transportation.

The European Coordination Center, under the Western Hemisphere Department of World Mission of the International Assembly is currently assisting us in planning, designing and building the church building. Through united prayer during planning and discussion, the co-workers realised that Budapest, the capital of this ancient empire, can be the missionary bridgehead into Eastern Europe and is a very suitable location for annual spiritual gatherings, seminars, and youth spiritual training in continental Europe. The estimated cost for the construction of a three-storey building (usable area: 580 m²) according to the current blueprint is approximately 1,100,000 euros. There is an urgent need for our fellow brethren in the Lord to join us in prayer and supplication for this holy work:

May the house of God be established in Hungary.

May the name of the Lord be preached throughout Eastern Europe.

Planned building

As can be seen from the attached blueprint, we currently have three storeys planned. On the ground floor, there will be parking (as required by the city council), the kitchen and a dining hall. The second floor will house the chapel and a few RE classrooms. The third floor will primarily be used for accommodation for members staying for the weekend or church

convocations. Each floor will have sufficient bathrooms. The floors are connected via a staircase and a lift for a barrier-free access.

Financial situation

Date	Donations	Expenditures
Before 2024	Budapest: 200,000 €	
2024 until October	Budapest and ECC: 75,157 €	- Land purchase: 161,221 € - Taxes: 6,100 € - Architect: 3,000 €
2025 and beyond	Pledges from ECC: 111,600 €	Church building: 1,100,000 €
SUM	386,757 €	1,264,221 €

With the joint effort from the members in Budapest and ECC, we will have gathered 386,757€ up until the first quarter of 2025. In order to complete the project we estimate a gap of 877,464 €, which we will continue to work towards, with your help.
